

MM22 1150 Watt H Handle

- medium weight plaster & mortar mixer
- powerful motor & long life 2 speed gearbox
- soft start, low splash
- H handle for easy & comfortable handling
- high torque, slow speed for powerful mixing
- smooth, lump free mixes
- large range of interchangeable paddles
- guaranteed German made mixers & paddles

The MM22 MEGAMIXER is a medium weight power mixer with H handle, mechanical two speed gearbox and reliable motor

It generates the fast, thorough mix action that modern plasters and building materials require

The H handle gives easy handling and a comfortable mix position; the frame protects the power tool

The power mixers are supplied with an MR3 spiral paddle but can also be supplied with a variety of different paddle designs

The two speed MM22 with the extra slow speed will mix both heavy mortars and lightweight materials, plaster, bonding, drylining adhesive and epoxy coatings, liquid and stiff mixes
