

6.00724.00 LF 724 S

710 Watt Paint Remover LF 724 S

- For environment-friendly removal of paint and lacquer from even wooden surfaces
- Also suitable for processing untreated wood
- Up to 70% time saving
- Very suitable for processing grooves
- Variably adjustable chip removal setting
- Sheathed, sturdy die cast aluminium gearbox housing
- Palloid toothed high performance gear
- Universal motor with high capacity reserve
- Metabo S-automatic safety clutch
- 4 carbide-tipped blades with high service life
- Vibration-free and thereby fatigue-free operation
- External dust extraction outlet
- Metabo coil guard

Comparative device characteristics

Torque	2 Nm
Cutting edge cycle	80 mm
Maximum rabbet depth	unlimited
Lateral milling height	28 mm
Axial cutting depth	0 - 0,3 mm
Radial milling depth	0,15 mm
Rated input power	710 W
Output power	400 W
No-load speed	10.000 /min
Rated load speed	7.200 /min
Weight (without mains cable)	2,6 kg

Included as standard

4 carbide-tipped reversible blades, Suction connection piece, Adjusting wrench with handle, Combo-spanner, Plastic case
